

We know **YOU** by
your first name;
not your
employee number.

Who We Are: Fisher Engineering, Inc. (FEI) is a fire protection engineering design and consulting firm with offices in Atlanta, GA and Phoenix, AZ. Even though our work is serious, we have fun doing it. We offer a relaxed, not stuffy, environment. Our team members dress casually, enjoy flexible schedules, like working with each other and our clients, and we all take pride in offering exceptional engineering services.

What We Do: We provide building and fire code consulting, fire protection system design and commissioning, third party fire protection engineering design review, fire origin and cause investigations, forensic fire protection engineering analysis and expert testimony.

Where We Do It: We are currently providing services across North and South America for projects including aircraft hangars, fuel tank farms, manufacturing facilities, chemical process facilities, warehouse/storage, detention/correctional, as well as office and residential facilities.

What We Seek: A Fire Protection Engineer for our Atlanta, GA and Phoenix, AZ office to grow with us. As a fire protection engineer with FEI, you will perform:

- Project and client management
- Fire protection and life safety system design
- Commissioning of fire protection and life safety systems
- Facility fire protection, code and life safety analysis
- Hydraulic modeling, including hydrant and fire pump testing
- Forensic engineering

Qualifications Required:

- Interest in getting your hands dirty and feet wet in the field, not just sitting at a desk
- Bachelors or Masters degree in Fire Protection Engineering
- Five to ten years work experience in fire protection engineering
- Professional Registration in Fire Protection Engineering
- Project management/client management experience
- Revit or AutoCAD experience preferred
- U.S. Citizen required

FEI offers an excellent compensation package including profit sharing, retirement plan (with company match), health/dental insurance and flexible work hours. FEI is an equal opportunity employer.

If this sounds like a great match for you, please email your resume to Doug Fisher at contact.us@feifire.com.
