

2016 Corporate Sponsorship Invoice

Dear Potential Sponsor,

The San Diego Chapter of the Society of Fire Protection Engineers started a corporate sponsorship program last year with great success. The sponsors helped provide the chapter with funds to bring in speakers, provide awards to the Greater San Diego Science and Engineering Fair, support the Cal Poly Student Chapter, and social events. The board has planned even better events, community service and outreach events, National Engineers Week, and many more this year and we need your help! Please consider renewing or becoming a sponsor this year. The sponsorship will start on April 1st 2016 and end April 1st 2017. Below outlines the different levels that can be selected. Thank you for your consideration, any questions can be sent to sfpesd@gmail.com and our website [www.sfpesandiego.org](http://sfpesandiego.org).
